### **CLUB INFORMATION**

#### **FEES**

The Club operates 10 week courses. Term calendar is shown on the website. Fees are spread across the year monthly. We no longer can accept cash or cheques and operate a standing order system. Holiday clubs are offered as an addition to term fees and are optional.

#### **INSURANCE**

All members of Stars Gymnastics Club must hold membership to British Gymnastics. Failure to do so invalidates the Club Insurance. Insurance with British Gymnastics fully covers your child for all activities in the gym and at competitions and displays. A membership pack will be sent to you directly from British Gymnastics and is renewed annually, every September.

#### **CLUB UNIFORM**

Leotards or shorts and T-shirts to be worn. Bare feet in the gym, unless your child is trampolining, in which case, socks will be required. No baggy clothes, dresses, hoodies, heeled shoes, jeans, jewellery or watches to be worn, as this invalidates the club insurance. Please put tape or plasters over stud earrings, if they cannot be removed. Club leotards/tracksuits and boys outfits are available for purchase upon request. Long hair must be tied back.

Please see Clothing Order form on the website to order your child's Club clothing. This is optional but is mandatory for competing gymnasts. Elite squad please see Jade for your own competition orders.

### CLUB RULES

#### Safety

Please bring your child on time to their class so that they are ready to participate on time. They must not miss the warm up. Children will not be permitted to leave the gym until a parent / designated guardian arrives to collect them. Our coaches are DBS checked and will take children to the toilet if needed, but please ensure they also go before arriving. Should you have any award queries or wish for a progress report, please consult the office. Please do not bring lengthy queries to staff who are busy supervising children in the middle of the class, or at the hectic arrival and dispersals times, for safety reasons. Toddler gym will require parent participation. Displays and Club Competitions are held during the club year to show parents the progress of their gymnasts, but spectating of school age after school classes is not permitted due to noise and distraction to gymnasts and coaches. There are coffee/seating areas in the Leisure Centres, should you wish to stay. Please leave promptly to avoid disruption.

#### Child Protection

A qualified Welfare Officer is established within the Club, so should you have any concerns; please speak to the Head Coach or Club Manager to obtain her telephone number. All senior coaches hold British Gymnastics coaching qualifications/First Aid and are child protection trained and police checked. The Club is a British Gymnastics Governed Club and Gym Mark (Club Mark) accredited, and is affiliated to Sussex and the South East Region.

#### Anti Bullying

We find that the children in our club come to us because they enjoy the sport, so bullying is a rare occurrence. If a child is unhappy, they are to speak to their coach, and any situation will be dealt with. All children are encouraged to be kind and considerate towards one another, and show appreciation to their coaches.

If you have any comments or queries, please do not hesitate to speak to the Head Coach, or the Club Manager; Amanda Wadman.
